

Essex Highways parish information: POSTPONED Temporary overnight road closures at Rectory Road Railway Bridge, Hawkwell

Further to our previous email, please be aware that our plans to renew the traffic signals at Rectory Road Railway Bridge have been delayed due to unforeseen resourcing issues associated with Covid-19.

The works will be rescheduled for a later date and will be re-communicated in due course. We are sorry for any inconvenience.

We would appreciate any assistance in sharing this information with your parish councillors, residents and businesses.

Kind regards

Essex Highways Information
