Rochford District Council News

The Issues and Options Document (and draft Sustainability Appraisal) forms the first part of the review of the District Council's adopted policy documents. It covers a whole range of issues on planning for new homes, new jobs and new infrastructure (such as schools, roads, play spaces), the challenges we face as a district and what the options are for addressing these challenges.

The potential impacts of the different options the District Council have considered in terms of key sustainability issues are also set out in the draft Sustainability Appraisal with a view to avoiding and mitigating potential negative impacts.

The Issues and Options Document (and draft Sustainability Appraisal) is now open for public consultation for a period of 12 weeks, and your comments on both documents are now being invited from **13 December 2017 to 5pm on 7 March 2018**.

You can view the documents online by visiting:
<https://www.rochford.gov.uk/new-local-plan-issues-and-options-document-and-draft-sustainability-appraisal>

Paper copies are available (for reference only) at Rochford and Rayleigh Council Offices and all local libraries during normal opening hours.

Towards the end of January students at Greensward Academy performed Annie the Musical to packed audiences over three nights with rave reviews: *"It was a brilliant show and as always with school productions I was left amazed at the talent for children so young. Well done to all involved."* *"I just wanted to say a massive congratulations to you and all of the fabulous cast of Annie. The production was absolutely fantastic and I thoroughly enjoyed every moment ... thank you for such a wonderful evening."*

Special Constables

Some Parish Councils within Essex are providing small amounts of funding for Special Constables in their area. This funding is provided by way of the parish precept. Ashingdon Parish Council have discussed this service provision but have decided to put the decision on hold at present. We would like to hear your views – would you be prepared to pay more precept in order for the Parish Council to fund Special Constables in the area?

Please send you thoughts to the clerk
ashingdonparishcouncil@essexinfo.net.

More information on Special Constables can be found at
